- 4) Golf Course Superintendent Report -- Mitch Hamilton: Our year to date rounds played as of 9/28 is 10,243. This is an improvement from last year. We had a late start due to Covid restrictions so this is a very good number. We had 14 scheduled outings and only were able to have 5 of them with limited numbers participating. Golf course work -- Aerating greens will be done on 9/29. #16 bunker will be groomed this fall. Cart path repair will be done this fall. We will be scheduling tree removal and brush clean up. Kishwaukee College golf team will be doing some in-kind work for us going forward. It has been a busy year and there have been a lot of new people playing the course this season.
